

Committed to Sustainability.

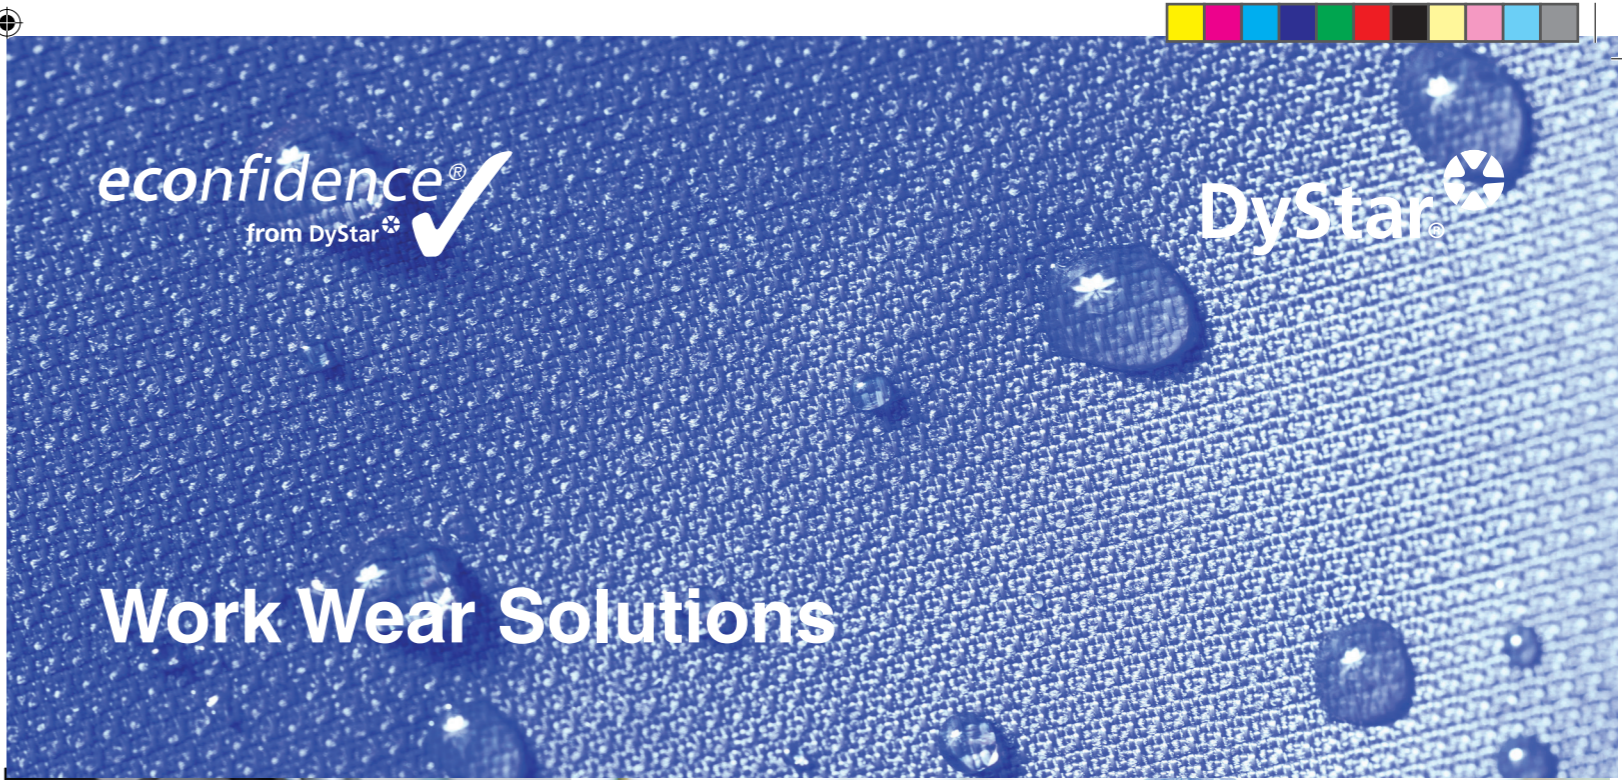

At DyStar, our products and services help customers worldwide reduce costs, shorten lead times and meet stringent quality and ecological specifications.

Information and our technical advice - whether verbal, in writing or by way of trials - are given in good faith but without warranty, and this also applies where proprietary rights of third parties are involved. Our advice does not release you from the obligation to check its validity and to test our products as to their suitability for the intended processes and uses. The application, use and processing of our products and the products manufactured by you on the basis of our technical advice are beyond our control and, therefore, entirely your own responsibility. Our products are sold in accordance with our General Conditions of Sale and Delivery.

Article segments work wear

High Performance Work Wear

Today's modern work wear is a combination of function and fashion. It is expected to be comfortable and attractive, hard-wearing and present a uniform corporate image. The overall high fastness level depends on the work wear segment. The right substrate, high-quality dyes and suitable auxiliaries for functional finishing effects are the key to meeting these wideranging demands.

- Classical Work Wear e.g. for industry workers and leasing
- Health sector e.g. hospital
- Public sector e.g. uniforms for police and military
- Protective wear and High visibility e.g. Fire fighters
- Corporate wear e.g. for restaurants; hotel

Product highlights from DyStar

Indanthren[®] Navy SR-N Coll World's best performing vat Navy with excellent 95°C wash fastness

Indanthren Green CLF Coll The only vat green dye which meets leaf-green IR specifications

Dianix[®] XF2 dyes New dye range for Polyester/Cotton work wear

Remazol[®] Luminous Yellow FL The only high visible reactive dye for cotton

Evo[®] Pret RGE Ultra-low formaldehyde resin for shrink-resist finishing

Evo Protect ERG Highly durable PFOA-free fluorocarbon

Evo Xen KD Unique ceramic compound for outstanding abrasion resistance

Work Wear Solutions
